SAFETY PLAN

Are you planning to leave an abusive situation? Look over the following safety plan. Preparing for leaving will help you and your family stay safe.

1. **CALL** 911 if you are in immediate danger.
2. **TALK** to someone you trust. Ask for help in case you need to leave.
3. **CALL** one of the numbers on this sheet. You can get help in planning ways to stay safe.
4. **PACK** a bag or suitcase that won't be missed. Hide the packed bag or keep it with someone you trust. Put the following items in your bag:
 - Cash (including coins for phone calls) and checks
 - Clothes and personal articles for you and your children
 - Medications — House and car keys — Important phone numbers
 - Copies of important papers: driver's license/picture ID, birth certificates, passports, health insurance papers, food stamps, house and car titles, rent receipts, marriage license, immunization records
 - Special toy or book for your child or children
5. **PLAN** exactly where you will go and how to get there. Locate the nearest safe phones. Remember, you might have to leave in the middle of the night.
6. **TEACH** your children how to call 911 in an emergency.

Domestic violence is against the law!
