

PEACE SIGNS OPENING RAP

TRINA

They call me other stuff, but my name is Trina,
I wanna be a doctor and a prima ballerina.
I also like math and reading and writing,
But kids tease me and I end up fighting,
I wish there were a better way to solve all of this,
I try to make peace, but they put up their fists.
And if they didn't make fun of everything I say,
I wouldn't hate coming to my school every day.

ALEX

Me llamo Alejandro and my drum is the bomb,
My dad gave it to me when he broke up with my mom.
Even though we don't see each other that much,
My dad calls me up so we still keep in touch.
I wonder if I did something bad to make him leave;
When they got divorced, was it all because of me?
I wanna get away and play my drum all day,
That's the only thing that makes me feel okay.

JESSIE

Jessie is my name and I love playing sports,
I beat all the boys on the B-ball court
I grew up with my brother playing in the neighborhood,
He said we were a team, that's why we were good.
Back in the day, we practiced all the time,
He helped me with my shot from the 3-point line,
But everything changed when he went away,
I wonder if I'm ever gonna feel okay.

BO

What's up everybody it's B to the O
With a ball in my hand, man I run the show.
I dream about being in the NBA
But this dirty playground is the only place to play.
It's still better here than being at home,
I'm scared when I'm there, I come here to be alone.
Sometimes I just wanna run away,
And not come back till it's all okay.
