

## “I’M NOBODY”

### **ZIP**

I’m nobody. Who are you?  
Are you nobody too?  
I’m really insignificant  
With not a lot to do.

### **ZIP**

Think of the tiniest something that you never did see.  
If nothing comes to mind, you’re probably thinking of me.  
I’m the kid you never notice, unless perchance I trip!  
I’m nobody! I’m nothing! I’m Zip!

I wanna be a somebody,  
I’d settle for someone else.  
I wanna be some kind of somebody  
And feel good about myself.

But wanting isn’t getting. So whatcha gonna do?  
I’ll probably stick around like gum on someone’s shoe.  
In case you just forgot my name, I’ll give you one  
Last tip. I’m nobody! I’m nothing!

### **SAM, LULA & BOOPIE**

S/he’s nobody, s/he’s nothing

### **ZIP**

I’m nobody! I’m nothing! I’m Zip.
