

KAISER PERMANENTE HOSPITALS ARE AMONG THE SAFEST IN THE NATION

Nearly all Kaiser Permanente hospitals have been given an A rating for patient safety — and none lower than a B — in a new national report card issued by the Leapfrog Group. The Leapfrog Group is an employer-backed nonprofit group focused on health care quality. The complete list of Leapfrog Hospital Safety Score results can be found at www.hospitalsafetyscore.org.
